Case 2. I have an ORCID iD and need to connect to NetID

1. Go to “http://tamu.libguides.com/orcid” and click “Create or Connect your ORCID iD” button.

2. Log in through central TAMU authentication system.
3. Fill in your ORCID ID and ORCID Password and then click “Authorize.”
4. Success. Your ORCID iD is now connected to your NetID.

5. You can check the connection with TAMU Libraries in your ORCID account setting.
